ARTICLE 2. DELIVERY OF SERVICES

2.1 Orders. Customer shall submit to APXnet a properly completed Service Order to initiate Services to a Service Location(s). A Service Order shall become binding on the parties when (i) it is specifically accepted by APXnet either electronically or in writing, (ii) APXnet begins providing the Services described in the Service Order or (iii) APXnet begins Custom Installation (as defined in Section 2.7) for delivery of the Services described in the Service Order, whichever is earlier. When a Service Order becomes effective it shall be deemed part of, and shall be subject to, the Agreement.

2.2 Speed. APXnet makes no representation regarding the speed of the Internet Service. Actual speeds may vary and are not guaranteed. Many factors affect speed including, without limitation, the number of workstations using a single connection.

2.3 Access. Customer, at no cost to APXnet, shall secure and maintain all necessary rights of access to Service Location(s) for APXnet to install and provide the Services, unless APXnet has secured such access prior to this Agreement. In addition, Customer shall provide an adequate environmentally controlled space and such electricity as may be required for installation, operation, and maintenance of the APXnet Equipment used to provide the Services within the Service Location(s). APXnet and its employees and authorized contractors will require free ingress and egress into and out of the Service Location(s) in connection with the provision of Services. Upon reasonable notice from APXnet, Customer shall provide all required access to APXnet and its authorized personnel.

2.4 Service Commencement Date. Upon installation and connection of the necessary facilities and equipment to provide the Services, APXnet shall notify Customer that the Services are available for use, and the date of such notice shall be called the "Service Commencement Date." Any failure or refusal on the part of Customer to be ready to receive the Services on the Service Commencement Date shall not relieve Customer of its obligation to pay applicable Service charges.

2.5 APXnet Equipment. APXnet Equipment is and shall remain the property of APXnet regardless of where installed within the Service Location(s), and shall not be considered a fixture or an addition to the land or the Service Location(s). At any time APXnet may remove or change APXnet Equipment in its sole discretion in connection with providing the Services. Customer shall not move, rearrange, disconnect, remove, attempt to repair, or otherwise tamper with any APXnet Equipment or permit others to do so, and shall not use the APXnet Equipment for any purpose other than that authorized by the Agreement. APXnet shall maintain APXnet Equipment in good operating condition during the term of this Agreement; provided, however, that such maintenance shall be at APXnet's expense only to the extent that it is related to and/or resulting from the ordinary and proper use of the APXnet Equipment. Customer is responsible for damage to, or loss of, APXnet Equipment caused by its acts or omissions, and its noncompliance with this Section, or by fire, theft or other casualty at the Service Location(s), unless caused by the negligence or willful misconduct of APXnet. Customer agrees not to take any action that would directly or indirectly impair APXnet's title to the APXnet Equipment, or expose APXnet to any claim, lien, encumbrance, or legal process, except as otherwise agreed in writing by the Parties. Following APXnet's discontinuance of the Services to the Service Location(s), APXnet retains the right to remove the APXnet Equipment including, but not limited to, that portion of the APXnet Equipment located within the Service

Location(s). To the extent APXnet removes such APXnet Equipment; it shall be responsible for returning the Service Location(s) to its prior condition, wear and tear excepted.

2.6 Customer-Provided Equipment. APXnet shall have no obligation to install, operate, or maintain Customer-Provided Equipment. Customer alone shall be responsible for providing maintenance, repair, operation and replacement of all inside telephone wiring and equipment and facilities on the Customer's side of the cable modem, route and/or coaxial input connection. All Customer-Provided Equipment and wiring that Customer uses in connection with the Services must be fully compatible with the Services. Customer shall be responsible for the payment of all charges for troubleshooting, maintenance or repairs attempted or performed by APXnet's employees or authorized contractors when the difficulty or trouble report results from Customer-Provided Equipment.

2.7 Engineering Review. Each Service Order submitted by Customer shall be subject to an engineering review by APXnet. The engineering review will determine whether the cable plant must be extended, built or upgraded ("Custom Installation") in order to provide the ordered Services at the requested Service Location(s). APXnet will provide Customer written notification in the event Service installation at any Service Location will require an additional one-time installation fee ("Custom Installation Fee"). Customer will have five (5) days from receipt of such notice to reject the Custom Installation Fee and terminate, without further liability, the Service Order with respect to the affected Service Location(s).

2.8 Administrative Web Site. APXnet may, at its sole option, make one or more administrative web sites available to Customer in connection with Customer's use of the Services (each an "Administrative Web Site"). APXnet may furnish Customer with one or more user identifications and/or passwords for use on the Administrative Web Site. Customer shall be responsible for the confidentiality and use of such user identifications and/or passwords and shall immediately notify APXnet if there has been an unauthorized release, use or other compromise of any user identification or password. In addition, Customer agrees that its authorized users shall keep confidential and not distribute any information or other materials made available by the Administrative Web Site. Customer shall be solely responsible for all use of the Administrative Web Site, and APXnet shall be entitled to rely on all Customer uses of and submissions to the Administrative Web Site as authorized by Customer. APXnet shall not be liable for any loss, cost, expense or other liability arising out of any Customer use of the Administrative Web Site or any information on the Administrative Web Site. APXnet may change or discontinue the Administrative Web Site, or Customer's right to use the Administrative Web Site, at any time. Additional terms and policies may apply to Customer's use of the Administrative Web Site. These terms and policies will be posted on the site.

ARTICLE 3. CHARGES, BILLING AND PAYMENT

3.1 Charges. Customer shall pay APXnet one hundred percent (100%) of the Custom Installation Fee prior to the installation of Service. Customer further agrees to pay all charges associated with the Services, as set forth or referenced in the applicable Service Order(s) or invoiced by APXnet. These charges may include, but are not limited to installation charges, monthly recurring service charges, usage charges including without limitation charges for the use of APXnet Equipment, maintenance and repair charges, and applicable federal, state, and local taxes, fees, surcharges and recoupments (however designated).

3.2 Payment of Bills. Except as otherwise indicated herein or on the Service Order(s), APXnet will invoice Customer in advance on a monthly basis for all monthly recurring Service charges and fees arising under the Agreement. All other charges will be billed monthly in arrears. Customer shall make payment to APXnet for all invoiced amounts within thirty (30) days after the date of the invoice. Any amounts not paid to APXnet within such period will be considered past due. If a Service Commencement Date is not the first day of a billing period, Customer's next monthly invoice shall include a *pro rated* charge for the Services, from the date of installation to the first day of the new billing.

3.3 Partial Payment. Partial payment of any bill will be applied to the Customer's outstanding charges in the amounts and proportions as solely determined by APXnet. No acceptance of partial payment(s) by APXnet shall constitute a waiver of any rights to collect the full balance owed under the Agreement.

3.4 Payment by Credit Card. Upon Customer's written request and APXnet's acceptance of such request, APXnet will accept certain credit card payments for charges generated under the Agreement. By providing APXnet with a credit card number, Customer authorizes APXnet to charge the card for all charges generated under this

Agreement, until (i) this Agreement is terminated or (ii) Customer provides sixty (60) days prior notice that APXnet stop charging the credit card. Customer agrees to provide APXnet with updated credit card or alternate payment information on a timely basis prior to the expiration or termination of the credit card on file or in the event that Customer's credit card limit is or will be insufficient to cover payment. If APXnet is unable to charge Customer's credit card for any reason, Customer agrees to pay all amounts due, including any late payment charges or bank charges, upon demand by APXnet. APXnet may limit the option to pay by credit card to specific Services or may discontinue acceptance of credit card payments in whole or in part upon thirty (30) days prior notice to Customer.

3.5 Credit Approval and Deposits. Initial and ongoing delivery of Services may be subject to credit approval. Customer shall provide APXnet with credit information requested by APXnet. Customer authorizes APXnet to make inquiries and to receive information about Customer's credit history from others and to enter this information in Customer's records. Customer represents and warrants that all credit information that it provides to APXnet will be true and correct. APXnet, in its sole discretion, may deny the Services based upon an unsatisfactory credit history. Additionally, subject to applicable regulations, APXnet may require Customer to make a deposit (in an amount not to exceed an estimated two-months charge for the Services) as a condition to APXnet's provision of the Services, or as a condition to APXnet's continuation of the Services. The deposit will not, unless explicitly required by law, bear interest and shall be held by APXnet as security for payment of Customer's charges. If the provision of Service to Customer is terminated, or if APXnet determines in its sole discretion that such deposit is no longer necessary, then the amount of the deposit will be credited to Customer's account or will be refunded to Customer, as determined by APXnet.

3.6 Taxes and Fees. Customer shall be responsible for the payment of any and all applicable local, state, and federal taxes or fees (however designated). Customer will be responsible to pay any Service fees, payment obligations and taxes that become applicable retroactively.

3.7 Other Government-Related Costs and Fees. APXnet reserves the right to invoice Customer for any fees or payment obligations in connection with the Services imposed by governmental or quasi-governmental bodies in connection with the sale, installation, use, or provision of the Services, including, without limitation, applicable franchise fees (if any), regardless of whether APXnet or its Affiliates pay the taxes directly or are required by an order, rule, or regulation of a taxing jurisdiction to collect them from Customer.. These obligations may include those imposed on APXnet or its affiliates by an order, rule, or regulation of a regulatory body or a court of competent jurisdiction, as well as those that APXnet or its affiliates are required to collect from the Customer or to pay to others in support of statutory or regulatory programs. For example, Voice customers are charged a monthly regulatory recovery fee to help defray APXnet's contributions to municipal, state, and federal programs including, without limitation, universal service, telecom relay services for the visually/hearing impaired, and 911/E911 programs and infrastructure. This regulatory recovery fee is not a tax, and it is not government-mandated. Taxes and other government-related fees and surcharges may be changed with or without notice,

3.8 Disputed Invoice. If Customer disputes any portion of an invoice, Customer must pay the undisputed portion of the invoice and submit a written claim, including all documentation substantiating Customer's claim, to APXnet for the disputed amount of the invoice by the invoice due date. The Parties shall negotiate in good faith to resolve the dispute. However, should the parties fail to mutually resolve the dispute within sixty (60) days after the dispute was submitted to APXnet, all disputed amounts shall become immediately due and payable to APXnet.

3.9 Past-Due Amounts. Any undisputed payment not made when due will be subject to a reasonable late charge not to exceed the highest rate allowed by law on the unpaid invoice. If Customer's account is delinquent, APXnet may refer the account to a collection agency or attorney that may pursue collection of the past due amount and/or any APXnet Equipment that Customer fails to return in accordance with the Agreement. If APXnet is required to use a collection agency or attorney to collect any amount owed by Customer or any unreturned APXnet Equipment, Customer agrees to pay all reasonable costs of collection or other action. The remedies set forth herein are in addition to and not in limitation of any other rights and remedies available to APXnet under the Agreement or at law or in equity.

3.10 Rejected Payments. Except to the extent otherwise prohibited by law, Customer will be assessed a service charge up to the full amount permitted under applicable law for any check or other instrument used to pay for the Services that has been rejected by the bank or other financial institution.

3.12 Fraudulent Use of Services. Customer is responsible for all charges attributable to Customer with respect to the Services, even if incurred as the result of fraudulent or unauthorized use of the Services. APXnet may, but is

not obligated to, detect or report unauthorized or fraudulent use of Services to Customer. APXnet reserves the right to restrict, suspend or discontinue providing any Service in the event of fraudulent use by Customer.

ARTICLE 4. TERM

4.1 Agreement Term. This Agreement shall terminate upon the expiration or other termination of the final existing Service Order entered into under this Agreement. The term of a Service Order shall commence on the Service Commencement Date and shall terminate at the end of the stated Service Term of such Service. Unless otherwise stated in these terms and conditions, if a Service Order does not specify a term of service, the Service Term shall be one (1) year from the Service Commencement Date.

4.2 Service Order Renewal. Upon the expiration of the Service Term, this Agreement and each applicable Service Order shall automatically renew for successive periods of one (1) year each ("Renewal Term(s)"), unless otherwise stated in these terms and conditions or prior notice of non-renewal is delivered by either Party to the other at least thirty (30) days before the expiration of the Service Term or the then current Renewal Term. Effective at any time after the end of the initial Service Term and from time to time thereafter, APXnet may, modify the charges for Internet and/or Video Services subject to thirty (30) days prior notice to Customer. Customer will have thirty (30) days from receipt of such notice to cancel the applicable Service without further liability. Should Customer fail to cancel within this timeframe, Customer will be deemed to have accepted the modified Service pricing.

ARTICLE 5. TERMINATION OF AGREEMENT AND/OR A SALES ORDER

5.1 Termination for Convenience. Notwithstanding any other term or provision in this Agreement, Customer shall have the right to terminate a Service Order, or this Agreement in whole or part, at any time during the Service Term upon sixty (60) days prior notice to APXnet, and subject to payment to APXnet of all outstanding amounts due for the Services, any and all applicable Termination Charges, and the return of any and all APXnet Equipment.

5.2 Termination for Cause.

(a) If Customer is in breach of a payment obligation (including failure to pay a required deposit), and fails to make payment in full within ten (10) days after receipt of notice of default, or has failed to make payments of all undisputed charges on or before the due date on three (3) or more occasions during any twelve (12) month period, APXnet may, at its option, terminate this Agreement, terminate the affected Service Orders, suspend Service under the affected Service Orders, and/or require a deposit, advance payment, or other satisfactory assurances in connection with any or all Service Orders as a condition of continuing to provide the Services. However, APXnet will not take any such action as a result of Customer's non-payment of a charge that is the subject of a timely billing dispute, unless the parties have reviewed the dispute and determined in good faith that the charge is correct.

(b) If either party breaches any material term of this Agreement and the breach continues without remedy for thirty (30) days after notice of default, the non-defaulting party may terminate for cause any Service Order materially affected by the breach.

(c) A Service Order may be terminated by either party immediately upon notice if the other party has become insolvent or involved in liquidation or termination of its business, or adjudicated bankrupt, or been involved in an assignment for the benefit of its creditors.

(d) Termination by either party of a Service Order does not waive any other rights or remedies that it may have under this Agreement.

5.3 Effect of Expiration or Termination of the Agreement or a Service Order. Upon the expiration or termination of a Service Order for any reason: (i) APXnet may disconnect the applicable Service; (ii) APXnet may delete all applicable data, files, electronic messages, voicemail or other information stored on APXnet's servers or systems; (iii) if Customer has terminated the Service Order prior to the expiration of the Service Term for convenience, or if APXnet has terminated the Service Order prior to the expiration of the Service Term as a result of material breach by Customer, APXnet may assess and collect from Customer applicable Termination Charges; (iv) Customer shall, permit APXnet access to retrieve from the applicable Service Locations any and all APXnet Equipment (however, if Customer fails to permit access, or if the retrieved APXnet Equipment has been damaged and/or destroyed other than by APXnet or its agents, normal wear and tear excepted, APXnet may invoice Customer for the full replacement cost of the relevant APXnet Equipment, or in the event of minor damage to the retrieved APXnet Equipment, the cost of repair, which amounts shall be immediately due and payable); and (v) if used in

conjunction with the terminated Service, Customer's right to use applicable Licensed Software shall automatically terminate, and Customer shall be obligated to return the Licensed Software to APXnet.

5.4 Regulatory and Legal Changes. The parties acknowledge that the respective rights and obligations of each party as set forth in this Agreement upon its execution are based on law and the regulatory environment as it exists on the date of execution of this Agreement. APXnet may, in its sole discretion, immediately terminate this Agreement, in whole or in part, in the event there is a material change in any law, rule, regulation, Force Majeure event, or judgment of any court or government agency, and that change affects APXnet's ability to provide the Services herein.

ARTICLE 6. LIMITATION OF LIABILITY; DISCLAIMER OF WARRANTIES; WARNINGS

6.1 NEITHER PARTY WILL BE LIABLE TO THE OTHER FOR ANY INCIDENTAL, INDIRECT, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, WHETHER OR NOT FORESEEABLE, OF ANY KIND INCLUDING BUT NOT LIMITED TO ANY LOSS REVENUE, LOSS OF USE, LOSS OF BUSINESS OR LOSS OF PROFIT, WHETHER SUCH ALLEGED LIABILITY ARISES IN CONTRACT OR TORT, PROVIDED, HOWEVER, THAT NOTHING HEREIN IS INTENDED TO LIMIT CUSTOMER'S LIABILITY FOR AMOUNTS OWED FOR THE SERVICES, FOR ANY EQUIPMENT OR SOFTWARE PROVIDED BY APXNET OR FOR EARLY TERMINATION CHARGES. ALL SUCH WARRANTIES ARE HEREBY EXPRESSLY DISCLAIMED TO THE MAXIMUM EXTENT ALLOWED BY LAW. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, APXNET DOES NOT WARRANT THAT THE SERVICES, APXNET EQUIPMENT, OR LICENSED SOFTWARE WILL BE UNINTERRUPTED, ERROR-FREE, OR FREE OF LATENCY OR DELAY, OR THAT THE SERVICES, APXNET EQUIPMENT, OR LICENSED SOFTWARE WILL MEET YOUR REQUIREMENTS, OR THAT THE SERVICES, APXNET EQUIPMENT, OR LICENSED SOFTWARE WILL PREVENT UNAUTHORIZED ACCESS BY THIRD PARTIES.

6.3 APXNET MAKES NO WARRANTIES OR REPRESENTATIONS WITH RESPECT TO THE SERVICES, APXNET EQUIPMENT, OR LICENSED SOFTWARE FOR USE BY THIRD PARTIES.

6.4 IN NO EVENT SHALL APXNET, OR ITS ASSOCIATED PARTIES, SUPPLIERS, CONTRACTORS OR LICENSORS BE LIABLE FOR ANY LOSS, DAMAGE OR CLAIM ARISING OUT OF OR RELATED TO: (i) STORED, TRANSMITTED, OR RECORDED DATA, FILES, OR SOFTWARE; (ii) ANY ACT OR OMISSION OF CUSTOMER, ITS USERS OR THIRD PARTIES; (iii) INTEROPERABILITY, INTERACTION OR INTERCONNECTION OF THE SERVICES WITH APPLICATIONS, EQUIPMENT, SERVICES OR NETWORKS PROVIDED BY CUSTOMER OR THIRD PARTIES; OR (iv) LOSS OR DESTRUCTION OF ANY CUSTOMER HARDWARE, SOFTWARE, FILES OR DATA RESULTING FROM ANY VIRUS OR OTHER HARMFUL FEATURE OR FROM ANY ATTEMPT TO REMOVE IT.

In those states, the liability of APXnet and its affiliates and agents is limited to the maximum extent permitted by law.

ARTICLE 7. INDEMNIFICATION

Specifically, Customer agrees to ensure that all uses by Customer or by any other person (“user”), whether authorized by Customer or not, comply with all applicable laws, regulations, and written and electronic instructions for use. APXnet reserves the right to act immediately and

without notice to terminate or suspend the Services and/or to remove from the Services any information transmitted by or to Customer or users, if APXnet (i) determines that such use or information does not conform with the requirements set forth in this Agreement, (ii) determines that such use or information interferes with APXnet's ability to provide the Services to Customer or others, or (iii) reasonably believes that such use or information may violate any laws, regulations, or written and electronic instructions for use. Furthermore, the Services shall be subject to one or more Acceptable Use Policies ("AUP") that may limit use. The AUP and other policies concerning the Services are posted on APXnet's web site(s) at www.apxnet.com/forms. (or any successor URL) or on another web site about which Customer has been notified, and are incorporated to this Agreement by reference. APXnet may update the use policies from time to time, and such updates shall be deemed effective seven (7) days after the update is posted online, with or without actual notice to Customer. Accordingly, Customer should check the above web addresses (or the applicable successor URLs) on a regular basis to ensure that its activities conform to the most current version of the use policies. APXnet's action or inaction in enforcing acceptable use shall not constitute review or approval of Customer's or any other users' use or information.

10.3 Violation. Any breach of this Article 10 shall be deemed a material breach of this Agreement. In the event of such material breach, APXnet shall have the right to restrict, suspend, or terminate immediately any or all Service Orders, without liability on the part of APXnet, and then to notify Customer of the action that APXnet has taken and the reason for such action, in addition to any and all other rights and remedies under this Agreement.

ARTICLE 11. SERVICE CREDITS

11.1 Credit Allowances. APXnet will allow a pro-rata credit against future payment of the net monthly recurring charge (exclusive of nonrecurring charges, other one-time charges, per call charges, measured charges, regulatory fees and surcharges, taxes, and other governmental and quasi-governmental fees) for a Service Interruption, except as specified below or as may otherwise be legally required ("Credit"). "Service Interruption" shall mean a break in transmission that renders the Service unusable for transmission and reception. For the purposes of calculating a Credit allowance, the Service Interruption period begins when the Customer reports an interruption in the portion of the Service to APXnet, a trouble ticket is opened, and the Service is released to APXnet for testing and repair. The Service Interruption ends when the affected portion of the Service has been restored and APXnet has closed the trouble ticket. Service Interruption time does not include interruptions of less than thirty (30) minutes' duration. Credits will be as follows:

<u>Length of Service Interruption</u>	<u>Amount of Credit</u>
Less than 30 minutes	None
At least 30 minutes but less than 3 hours	1/8 of a day
At least 3 hours but less than 6 hours	1/4 of a day
At least 6 hours but less than 9 hours	2/5 of a day
At least 9 hours but less than 12 hours	1/2 of a day
At least 12 hours but less than 15 hours	4/5 of a day
At least 15 hours and up to and including 24 hours	1 full day

The total number of credit allowances per month shall not exceed the total monthly recurring charge for the affected Service. Credit allowances will not be made for less than \$1.00, unless required under applicable law. Service Interruptions will not be aggregated for purposes of determining credit allowances. To qualify, Customer must request the Credit from APXnet within 30 days of the interruption.

11.2 Exceptions to Credit Allowances. A Service Interruption shall not qualify for the Credits set forth herein if such Service Interruption is related to, associated with, or caused by: scheduled maintenance events; Customer actions or inactions; Customer-provided power or equipment; any third party not contracted through APXnet, including, without limitation, Customer's users, third-party network providers; any power, equipment or services provided by third parties; or an event of force majeure as defined in this Agreement, unless otherwise provided under applicable law. The remedies set forth in this Article 11 shall be Customer's sole and exclusive remedy for any Service Interruption in the Services, outage, unavailability, delay or other degradation in the Services or any APXnet failure to meet the objectives of the Services.

ARTICLE 12. MISCELLANEOUS TERMS

12.1 Force Majeure. Neither party shall be liable to the other party for any delay, failure in performance, loss, or damage to the extent caused by force majeure conditions such as acts of God, fire, explosion, power blackout, cable cut, acts of regulatory or governmental agencies, unavailability of right-of-way, unavailability of services or materials upon which the Services rely, or other causes beyond the party's reasonable control, except that Customer's obligation to pay for Services provided shall not be excused. Changes in economic, business or competitive condition shall not be considered force majeure events.

12.2 Assignment and Transfer. Neither Party shall assign any right, obligation or duty, in whole or in part, nor of any other interest hereunder, without the prior written consent of the other Party, which shall not be unreasonably withheld. The foregoing notwithstanding, APXnet may assign this Agreement to any affiliate, related entity, or successor in interest without Customer's consent. In addition, APXnet may partially assign its rights and obligations hereunder to any party that acquires from APXnet all or substantially all of the assets of a cable franchise(s) in which the Services is deployed to Customer. All obligations and duties of either Party under this Agreement shall be binding on all successors in interest and assigns of such Party.

12.3 Export Law and Regulation. Customer acknowledges that any products, software, and technical information (including, but not limited to, services and training) provided pursuant to the Agreement may be subject to U.S. export laws and regulations, and any foreign use or transfer of such products, software, and technical information must be authorized under those regulations. Customer agrees that it will not use, distribute, transfer, or transmit the products, software, or technical information (even if incorporated into other products) except in compliance with U.S. export regulations. If requested by APXnet, Customer also agrees to sign written assurances and other export-related documents as may be required for APXnet to comply with U.S. export regulations.

12.4 Notices. Except as otherwise provided in this Agreement, any notices or other communications contemplated or required under this Agreement, in order to be valid, shall be in writing and shall be given via personal delivery, overnight courier, or via U.S. Certified Mail, Return Receipt Requested. Notices to Customer shall be sent to the Customer billing address; notices to APXnet shall be sent to 2 School Street, Berwick Maine, 03901, Attn: Director of Business Customer Operations. All such notices shall be deemed given and effective on the day when delivered by overnight delivery service or certified mail.

12.5 Entire Understanding. The Agreement constitutes the entire understanding of the parties related to the subject matter hereof. The Agreement supersedes all prior agreements, proposals, representations, statements, or understandings, whether written or oral, concerning the Services or the parties' rights or obligations relating to the Services. Any prior representations, promises, inducements, or statements of intent regarding the Services that are not expressly provided for in this Agreement are of no effect. Terms or conditions contained in any purchase order, or restrictive endorsements or other statements on any form of payment, shall be void and of no force or effect. Only specifically authorized representatives of APXnet may make modifications to this Agreement or this Agreement's form. No modification to the form or this Agreement made by a representative of APXnet who has not been specifically authorized to make such modifications shall be binding upon APXnet. No subsequent agreement among the parties concerning the Services shall be effective or binding unless it is executed in writing by authorized representatives of both parties.

12.6 Tariffs. Notwithstanding anything to the contrary in the Agreement, APXnet may elect or be required to file tariffs with regulatory agencies for certain Services. In such event, the terms set forth in the Agreement may, under applicable law, be superseded by the terms and conditions of the Tariffs. Without limiting the generality of the foregoing, in the event of any inconsistency with respect to rates, the rates and other terms set forth in the applicable Sales Order shall be treated as individual case based arrangements to the maximum extent permitted by law, and APXnet shall take such steps as are required by law to make the rates and other terms enforceable. If APXnet voluntarily or involuntarily cancels or withdraws a Tariff under which a Service is provided to Customer, the Service will thereafter be provided pursuant to the Agreement and the terms and conditions contained in the Tariff immediately prior to its cancellation or withdrawal. In the event that APXnet is required by a governmental authority to modify a Tariff under which Service is provided to Customer in a manner that is material and adverse to either party, the affected party may terminate the applicable Sales Order upon a minimum thirty (30) days' prior written notice to the other party, without further liability.

12.7 Construction. In the event that any portion of this Agreement is held to be invalid or unenforceable, the parties shall replace the invalid or unenforceable portion with another provision that, as nearly as possible, reflects the original intention of the parties, and the remainder of this Agreement shall remain in full force and effect.

12.8 Survival. The rights and obligations of either party that by their nature would continue beyond the expiration or termination of this Agreement or any Service Order, including without limitation representations and warranties, indemnifications, and limitations of liability, shall survive termination or expiration of this Agreement or any Service Order.

12.9 Choice of Law. The domestic law of the state of Maine shall govern the construction, interpretation, and performance of this Agreement, except to the extent superseded by federal law.

12.10 No Third Party Beneficiaries. This Agreement does not expressly or implicitly provide any third party (including users) with any remedy, claim, liability, reimbursement, cause of action, or other right or privilege.

12.11 No Waiver. No failure by either party to enforce any rights hereunder shall constitute a waiver of such right(s).

12.12 Independent Contractors. The Parties to this Agreement are independent contractors. Neither Party is an agent, representative, or partner of the other Party. Neither Party shall have any right, power, or authority to enter into any agreement for, or on behalf of, or incur any obligation or liability of, or to otherwise bind, the other Party. This Agreement shall not be interpreted or construed to create an association, agency, joint venture, or partnership between the Parties or to impose any liability attributable to such a relationship upon either Party.

12.13 Article Headings. The article headings used herein are for reference only and shall not limit or control any term or provision of this Agreement or the interpretation or construction thereof.

12.14 Compliance with Laws. Each of the Parties agrees to comply with all applicable local, state and federal laws and regulations and ordinances in the performance of its respective obligations under this Agreement.

ADDITIONAL TERMS APPLICABLE TO INTERNET SERVICES

In addition to Articles 1 through 13 above, Articles 14 and 15A are specifically applicable to Internet Service:

ARTICLE 14: WEB HOSTING. If Customer submits a Service Order(s) for web hosting services, the following terms shall also apply:

14.1 Authorization. By using the Services to publish, transmit or distribute material or content, Customer (i) warrants that the material or content complies with the provisions of the Agreement, (ii) authorizes APXnet, its agents and affiliates to reproduce, publish, distribute, and display such content worldwide and (iii) warrants that Customer has the right to provide such authorization. Customer acknowledges that material posted or transmitted using the Services may be copied, republished or distributed by third parties, and agrees to indemnify, defend and hold harmless APXnet, its agents and affiliates for any harm resulting from such actions.

14.2 Web Site Content. If applicable, APXnet will host Customer's web site in a data center in accordance with APXnet's then-current published specifications, including, without limitation, storage levels ("Customer Web Site"). Ownership of all graphics, text, or other information or content materials supplied or furnished by Customer for incorporation into or delivery through a Customer Web Site shall remain with Customer (or the party that supplied such materials to Customer). Ownership of any software developed or modified by APXnet and all graphics, text, or other information or content materials supplied or furnished by APXnet for incorporation into a Customer Web Site shall remain with APXnet (or the party that supplied such materials to APXnet). Customer agrees that APXnet has no proprietary, financial, or other interest in Customer's goods or services that may be described in or offered through a Customer Web Site, and that Customer is solely responsible for content quality, performance, and all other aspects of its goods or services and the information or other content contained in or provided through a Customer Web Site. Customer assumes all responsibility for use by others of the Customer Web Site (including commercial transactions, whether completed or not).

14.3 Web Site Backup and Restoration. Customer acknowledges and agrees that (i) it is responsible for developing and maintaining procedures (apart from the Services) to protect the Customer content, including, without limitation, making appropriate backup copies of the Customer content as may be necessary for reconstruction of any

data, files, informational materials, or electronic messages; and (ii) APXnet is not responsible for backup and restoration of Customer Content.

ARTICLE 14A: PROVISION OF SERVICE. Subject to the terms and conditions herein, Internet Services are intended for commercial use only.

ARTICLE 15. DOMAIN NAME REGISTRATION. If Customer submits a Service Order(s) for domain name registration services, the following terms shall also apply:

15.1 Registration. At the request of Customer, APXnet will use commercially reasonable efforts to facilitate the registration of the Customer internet domain name (“Customer Domain Name”) with a domain name registration service of APXnet’s choosing, but only to the extent that Customer provides APXnet with all necessary information relevant to such registration. The domain name registration service will invoice Customer directly for all applicable registration fees, maintenance fees, and other applicable fees related thereto. Customer hereby acknowledges that Customer is entirely responsible for the payment of any and all such fees. APXnet does not represent that the Customer Domain Name will be available on an initial or ongoing basis. Further, Customer acknowledges that Customer, not APXnet, has ownership, control, and use of the Customer Domain Name. Further, Customer hereby agrees now and forever to release and to hold harmless APXnet, its employees, affiliates, agents, and contractors, from any and all losses, damages, rights, claims, and actions with respect to, or in any way arising from, the domain name registration service’s removal of allocation or support for the Customer Domain Name. Should Customer require modification of the Customer Domain Name or additional related services, additional charges may apply from the relevant registration service and from APXnet for setup of the modification or addition.

15.2 Sub-Domain Name. Should Customer be unable to register a unique domain name, APXnet may grant upon Customer request and only for the term of the Service Order providing for such service, the limited, personal, and non-transferable right to specify and append a sub-domain name to APXnet’s prescribed domain name, for the sole purpose of uniquely identifying Customer’s e-mail address. APXnet does not represent that Customer’s selected sub-domain name will be available. Customer receives no right to APXnet’s domain name other than as specifically stated in this Article 15. Upon the termination of the applicable Service Order, Customer shall surrender all rights, privileges and interest in and to the sub-domain name and APXnet’s domain name.
